

CAPSTONE PROJECT CHECKLIST

Project Title:

SAKAY: A Mobile and Web-Based Supplementary Tricycle Booking System with Ride Sharing and Descriptive Transportation Analytics for Calapan City

Members:

1. Celis, Via Bianca A.
2. Del Mundo, Janna Marion S.
3. Payo, Mark R.
4. Rocero, Beah M.

The proposed SAKAY is a mobile and web-based supplementary tricycle booking system for Calapan City.

Users	Requirements	Points	Score
LGU Administrator	• View Dashboard • Manage TODA Applications ○ View TODA applications ○ Review submitted information ○ Review submitted documents ○ Approve TODA application ○ Return application for correction ○ Reject TODA application • Manage Accredited TODAs ○ View accredited TODAs ○ View TODA information ○ View service coverage ○ View registration and accreditation information • Manage Drivers ○ View driver records ○ Review driver verification information ○ View driver TODA affiliation ○ Manage driver account status • Manage Passengers ○ View passenger records ○ View passenger account information ○ Manage passenger account status • Monitor Transportation Operations ○ View active trips ○ View completed trips ○ View cancelled bookings ○ Monitor ongoing trips • Manage Incident Reports ○ View submitted incident reports ○ Review incident details		

	○ View related trip information ○ Update incident status ● Review Passenger Feedback ○ View ratings ○ View passenger feedback ○ Review complaints ● View Reports ○ Booking reports ○ Driver utilization reports ○ TODA performance reports ○ Peak-hour reports ○ Barangay demand reports ○ Service utilization reports ● View Transportation Analytics ○ View booking trends ○ View peak travel periods ○ View demand hotspot maps ○ View service utilization ○ View driver utilization ● View Audit Logs ● Manage Account Information		
TODA Administrator	● Manage Account Information ○ Register TODA account using organization information (TODA name, acronym, registration number, date established) ○ Register office information (terminal location, barangay, service coverage area, contact number, email) ○ Register authorized officer details (President, Vice President, Secretary, Treasurer) ○ Verify mobile number via OTP ○ Submit accreditation documents (Barangay Clearance, List of Accredited Drivers) ○ Monitor accreditation application status ○ Edit profile information ● Manage Driver Applications ○ View driver applications submitted to the TODA ○ Confirm applying driver belongs to the TODA's list of affiliated drivers ○ Review submitted tricycle photo (franchise number and TODA sticker) ○ Forward application to the LGU Administrator ● Manage Driver Roster ○ View driver records		

	○ Suspend or reactivate drivers ○ Update member information ● Monitor TODA Operations ○ View active bookings ○ View active drivers ○ View ongoing trips ○ View booking statistics ○ View driver utilization statistics ● Manage Announcements ○ Publish announcements to TODA members ○ Send reminders ● View Reports ○ Daily, weekly, and monthly booking reports ○ Driver trip volume and activity reports ○ Platform booking volume reports ○ Incident summary reports ○ Estimated gross fare value reports ● Manage Incident Reports ○ View bookings and incidents ○ Review incident details ○ Escalate incidents to the LGU Administrator		
Passenger	● Manage Account Information ○ Register account using name, mobile number, and password ○ Verify mobile number via OTP ○ Edit profile (name, address, profile photo, password) ○ Recover password via OTP re-verification ● Book a Ride ○ Set pickup location via GPS or manual pin adjustment ○ Search and select destination by address or landmark ○ Specify passenger count ○ View estimated fare before confirming ○ Confirm the booking request ● Use Ride Sharing ○ Enable the shared ride option ○ View the shared fare estimate before confirming ○ View the finalized, proportionate fare allocation after trip completion ● Monitor Trip ○ View the driver's live location ○ View assigned driver's name, photo, and tricycle franchise number		

	○ Monitor trip progress from pickup to destination ○ View estimated time of arrival ● Submit Feedback ○ Submit a rating and written feedback for a completed trip ○ Review previously submitted feedback ● Report Incidents ○ Select an incident type ○ Provide a written description of the incident ○ Attach optional photo evidence ○ Monitor the status of a submitted report ● View Trip History ○ View a list of completed trips ○ Review fare history for past trips ○ Rebook a previous destination		
Driver	● Manage Account Information ○ Register account using name, mobile number, and password ○ Select one or more affiliated TODAs from the list of accredited TODAs ○ Verify mobile number via OTP ○ Submit required documents (Driver's License, MTOP, tricycle photo) ○ Monitor application status ○ Edit profile information ● Manage Availability ○ Select active TODA affiliation for the current session ○ Select the verified tricycle unit to operate under ○ Set status to online or offline ○ Pause bookings temporarily ○ Resume bookings ● Manage Bookings ○ Receive booking requests ○ Accept a booking request ○ Decline a booking request ○ View passenger details and trip information for an accepted booking ● Use Navigation and Route Assistance ○ View route guidance to the pickup location ○ View route guidance to the destination ○ View estimated travel time ● Manage Trips ○ Start a trip upon passenger pickup ○ Receive an Additional Shared Passenger Request during an ongoing Shared Trip		

	○ Accept or reject an Additional Shared Passenger Request ○ Complete a trip upon reaching the destination ○ View the recalculated, proportionate fare after an additional passenger is added ● View Recorded Trip Fare Summary ○ View a trip fare summary ○ Review completed trip fare records ○ Monitor daily and weekly recorded fare totals ● Communicate with Passengers ○ Send custom SMS messages ○ Use pre-defined message templates ○ Call a passenger using the device's native phone application ● View Notifications ○ Receive booking alerts, reminders, and announcements ● View Trip History ○ View a list of completed trips ○ Review trip details, including pickup and drop-off locations and fare collected
